For Digital Marketing Solutions you will be notified with the followings:

- An email from tmcare@tm.com.my notifying you that your order has been successfully created
- In addition, you will also receive a personalised introduction email from your campaign manager.

8. Will I be charged for the solution if I did not activate my solution?

Yes, you will be charged/billed once the solution is registered.

You are not required to do self-registration for the bundled solution offered under this campaign. You can simply access the solution dashboard right away in order to activate or start utilising the solution(s).

9. How will I be billed?

Both Unifi Business Fibre and Business Solution subscriptions will be billed together in the same bill.

10. What other privileges will I enjoy?

You will enjoy other privileges related to the Complete Business Solutions tailored to meet your business needs:

For more details, you may refer to this link: <https://ubc.unifi.com.my/>

11. Is there an advance payment required for the subscription of this campaign's packages?

Yes. For Unifi Business Fibre service application made without the verification of a MyKad Reader, you are subject to an upfront payment of RM100.

The upfront payment will be collected within 10 days from the date of the service activation. You will be notified by TM on the successful payment through SMS and the payment will be reflected in your next bill.

12. Can I change to a different package while I'm still in contract period?

Yes, you can change your package within the solution bundle plan and your contract will be renewed to 24 months.

However, changing to other packages without solution or to connectivity-only plan is not possible while you're still in contract with your current package.

13. Is relocation allowed while I am still within the contract period?

Yes, you will be able to relocate the service while you are still in the contract period, depending on the infra readiness and port availability at the new location.

14. Is transfer of ownership allowed while I am still in the contract period?

During the contract period of 24 months, transfer of ownership is allowed for the Unifi Business (Fibre Connectivity) plans only.

However, transfer of ownership for the Digital Solutions and devices is not possible at the moment. The Digital Solutions and devices will remain under the current owner's account and will continue to be available as long as the Unifi Business (Fibre Connectivity) plan remains active from the new owner's subscription. If the current owner decides to

terminate the Digital Solutions and/or devices while still in contract, the remaining month(s) fees will be charged.

15. What do I need to know if I want to terminate the package?

We hope that you can remain with us and do not terminate your subscription, as you will lose the discount entitlement:

- Any termination of solution (eCommerce Hub / Cloud Storage / Kaspersky Small Office Security / Digital Marketing Solution) within the contract period will impact the discount entitlement on your broadband plan.
- Early termination charges based on the existing campaign package fee for the remaining months (*calculated at the price before discount*) will be imposed for termination within the contract period.
- Upon terminating the solutions, your subscription plan will be changed to non-solution plan and your broadband contract will be renewed to 24 months.
- The termination penalty will be based on the subscribed bundle as below:

Product	Contract Term	Early Termination Fee (RM)
Broadband Plan	24 months	Broadband fee X remaining months
Digital Solution	12 months	Solution fee X remaining months
